October 16	11 to 5:30	Chicken Roast @ Richfield Chalet

LIONS in Action 

Last month we :

- ▶ Survived Richfield Days
- ▶ Started planning for Chicken Roast

Fellow Lions—Richfield Days had perfect weather, fabulous fireworks, and huge attendance. Our Lions Food Stand was a big success. Thanks for the hours of help each member put in. We received dozens of compliments and how good our burgers and brats were; plus how clean and well set-up our area was. Another -THANK YOU - goes to those who took the extra time to be there early to set-up and on Monday to Clean-Up. Everyone there had fun working together, meeting friends, and being part of the busy weekend.

Anniversaries

Bill Schmitt
22 years—9/26
Michelle Danczyk
4 years —9/18

Happy Birthdays

Sheryl Aicher—9/2
Melissa Tweedale—9/25

Right around the corner is Chicken Roast on Sunday October 16th. As in the past, Lion Ray Tweedale will be distributing the tickets. Please pick them up at our next business meeting, or give Lion Ray a call to get yours. We will make this a fun function also. Many people look forward all year to having Rupena's Roast Chicken. The work schedule will be put together earlier this year, so members can pick a time to help out at this dinner function. Please let Lion Dale Weyer Tel: 262.628.4457 Email: mod0505ya@yahoo.com know which shift you would prefer to help out on.

Chicken Roast needs a Gravy Chef— One of many special treats of our October Lions Chicken Roast is that homemade gravy. For many years Arlene Schneider has made every kettle that we have served. Arlene would like to pass this secret recipe over to a Lions member. And we need to learn this, since it is a special part of our dinner. Any member or wife who would like to help Arlene should contact Lion Dale Weyer. It would require you to help at the Roast from start to finish and be a big part of this delicious meal.

Our Monthly Agenda, Treasurer's Report and Meeting Minutes are online Check our web site, www.RichfieldLions.org often for this newest update. Our goal is to make information available to members online and speed up our meetings so be sure and check it out!
